HEMLINE FUSIBLE WEB PAPER BACKED suitable for Applique and Craft projects. Simply place Fusible Web coated side down onto the back of your fabric, apply heat until the adhesive has transferred to the fabric, do not remove paper backing. If you are designing a motif, trace or sketch the outline onto the paper side then cut out motif. Remove paper backing and the motif is now ready to iron on. To apply motif place adhesive side down onto the garment and iron with firm press. Turn the garment inside out and with a damp cloth, press for 8-10 second over the entire motif, making sure not to slide the iron.

CODE	TYPE	PRICE
