TOMÉ ENGINEERS FILES

The Tomé File Company, founded well over 100 years ago has progressively developed to now be recognised as one of Europe's premier file manufacturers. With the Company's own steel plant and rolling mills, strict quality control checks are enforced from raw material selection to finished product. All Tomé Files are manufactured from chromium steel and conform to dimensional and density of cut tolerances within the ISO standards.

TOMÉ HAND FILES parallel in width and thickness for whole length. Cuts on both faces and one side, one side safe edge. Available in Bastard, Second and Smooth cuts, 4" & 6" lengths.
