

finecast

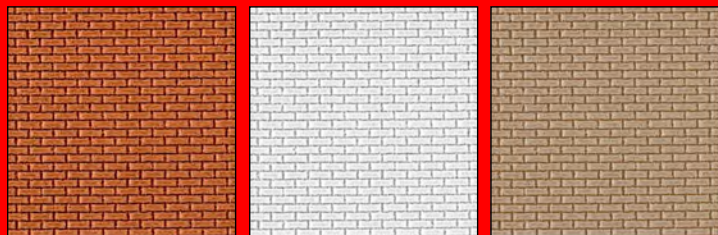

Finecast Building Sheets are the ideal scratch building material for the discerning Modeller. Suitable for all types of modelling of buildings: Model Railway, Diaramas, Architectural mock ups and more. With a wide range of common brick patterns, as well as unique designs for specific building purposes, there is a Finecast building sheet for every project.

Produced in high quality, flexible HIPS styrene sheet in different coloured finishes. Available in 2mm, 4mm and 7mm Scale.

4mm Scale (OO Gauge)

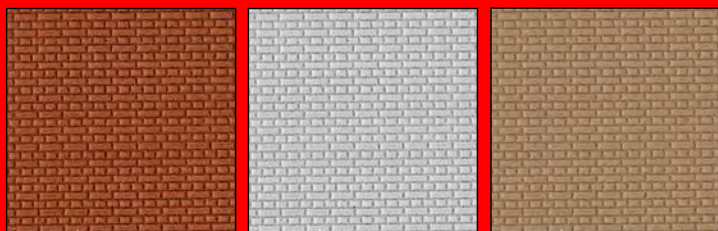

FBS401 Plain Bond Brick 14" x 9" Also known as Stretcher bond, this is the most commonly used bond in the UK. Available in Brick (B), White (W) & Stone (C) .

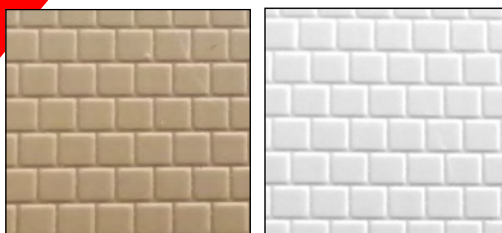

FBS405 Paving Stones 14" x 9" A sheet of Paving stones for pavements and gardens. Available in Stone (Colour Code: C) & White (W).

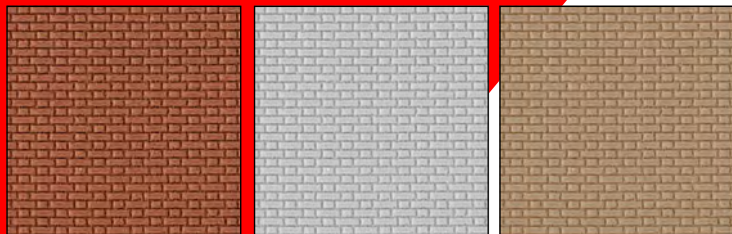

FBS402 English Bond Brick 14" x 9" A brick pattern formed by laying alternate courses of stretchers and headers, one of the strongest bonds. Available in Brick (Colour Code: B), White (W) & Stone (C) .

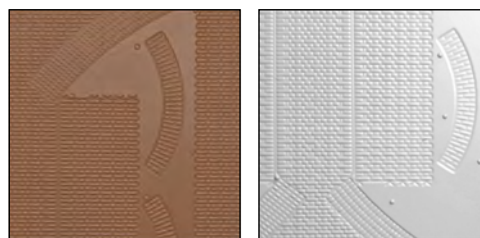

FBS406 Stone Setts 14" x 9" A sheet of stone setts for pavements and gardens. Available in Stone (Colour Code: C) & White (W).

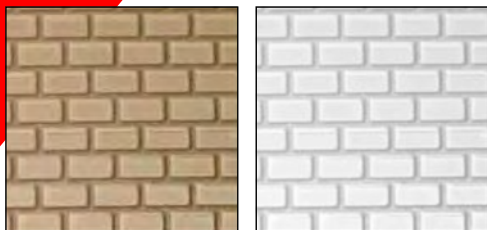

FBS403 Flemish Bond Brick 14" x 9" A brick pattern formed by laying headers and stretchers alternately in each course. Available in Brick (Colour Code: B), White (W) & Stone (C) .

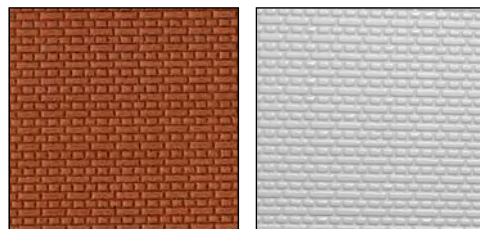

FBS407 English Bond Arches 14" x 10.5" A sheet Arches for recreating viaducts and road bridges. Available in Brick (Colour Code: B) & White (W).

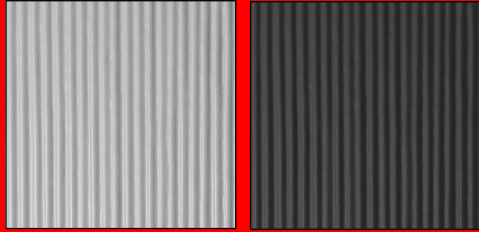

FBS404 Stone Blocks 14" x 9" A sheet of stone blocks suitable for walls in various settings. Available in Stone (Colour Code: C) & White (W).

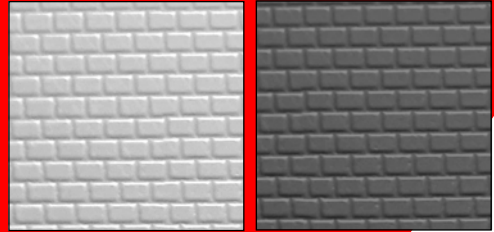

FBS408 English Bond Brick 14" x 9" A sheet of English Bond Brick to match the brickwork on FBS407 Arches. Available in Brick (Colour Code: B) & White (W).

FBS409 Corrugated Iron 14" x 10" Available in White (Colour Code: W) and Grey (G)

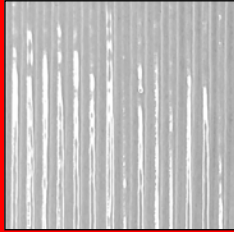

FBS415 Slate 13" x 9.5" Available in White (Colour Code: W) and Grey (G)

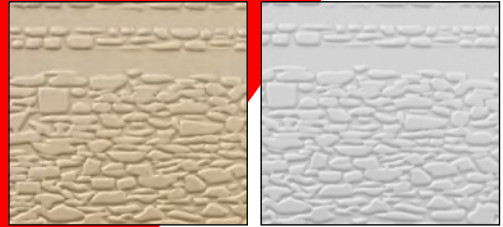

FBS410 Corrugated Clear Sheet 14" x 10"

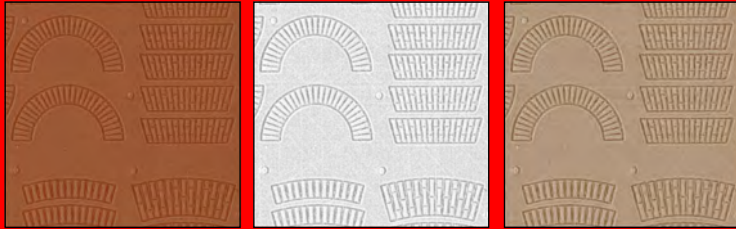

Clear Corrugations, matches FBS409

FBS416 Random Stone 13.5" x 9.5" Available in Stone (Colour Code: C) & White (W).

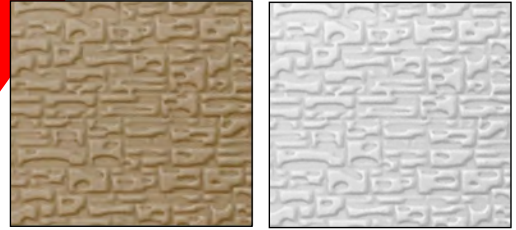

FBS411 Soldier Courses, Lintels and Arches 14.5" x 10.5" English Bond Brick sheet of architectural brickwork Available in Brick (Colour Code: B), White (W) & Stone (C) .

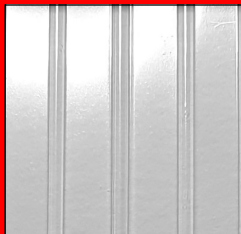

FBS417 Dressed Stone Blocks 13" x 9.5"

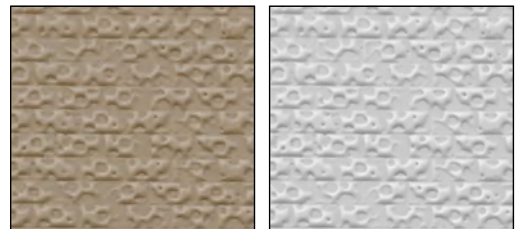

Regularly sized stone patterned sheets. Available in Stone (Colour Code: C) & White (W).

FBS412 Profiled Clear Cladding 14" x 9" Clear Cladding sheet, matches FBS413.

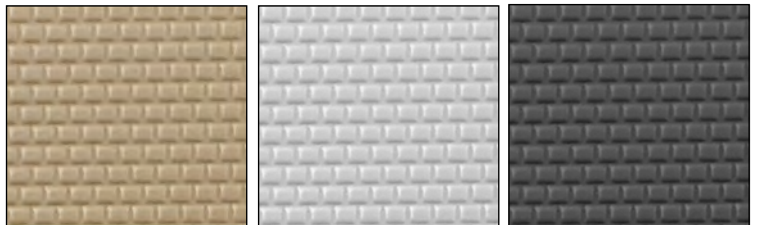

FBS418 Textured Concrete Blocks 13" x 9.5" Available in Stone (Colour Code: C) & White (W).

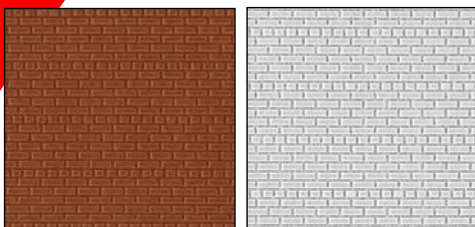

FBS413 Profiled Steel Cladding 14" x 9" Available in White (Colour Code: W) and Grey (G)

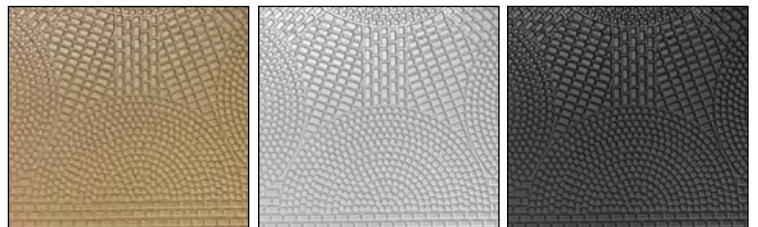

FBS419 Granite Setts 13" x 9.5" Available in Stone (Colour Code: C), White (W) & Grey (G).

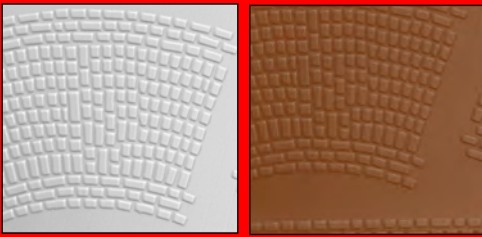

FBS414 American Bond 13" x 9.5" A brick pattern formed of five courses of stretchers between each course of headers. Available in Brick (Colour Code: B) & White (W).

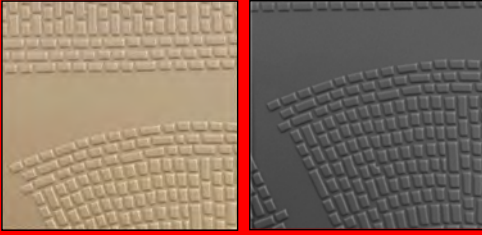

FBS422 Square Setts 13.5" x 9.5" Setts in circular patterns, ideal for town centers. Available in Stone (Colour Code: C), White (W) & Grey (G).

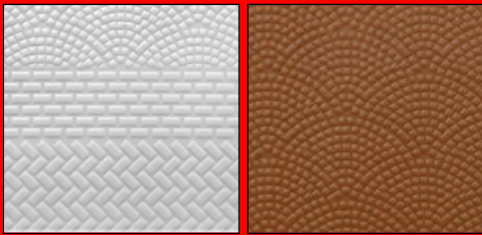

FBS420 Paved Roadway Setts 13.5" x 9.5" Paved

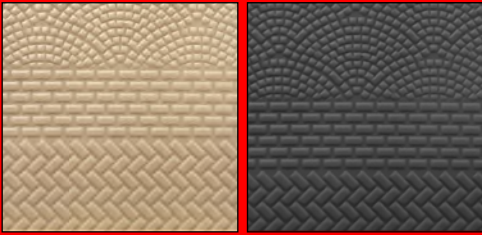

roads or walkways. Available in White (Colour Code: W), Brick (B), Stone (C) and Grey (G)

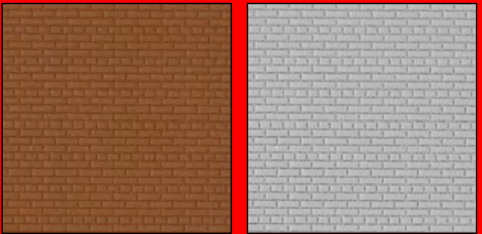

FBS421 Fan Setts 13.5" x 9.5"

Setts in decorative fan and edging patterns. Available in White (Colour Code: W), Brick (B), Stone (C) and Grey (G)

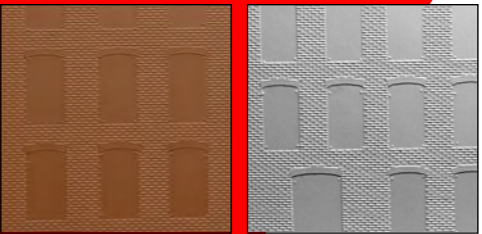

FBS423 English Garden Bond 13" x 9" A brick pattern formed by laying one course of headers for every three courses of stretcher.

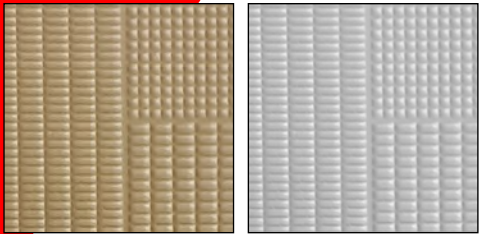

Available in Brick (Colour Code: B) & White (W).

FBS424 Warehouse Fascia 13" x 10.5" Available in Brick (Colour Code: B) & White (W).

FBS425 Ceramic Utility Tiles 13.5" x 9.5" Available in Concrete (Colour Code: C) & White (W).

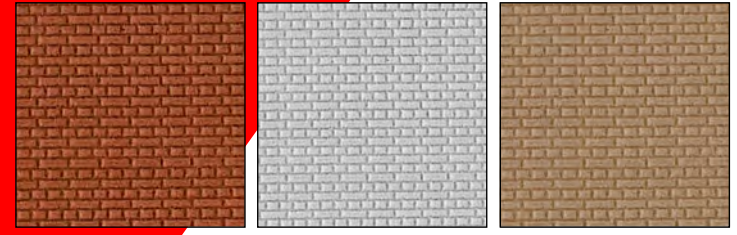

7mm Scale (O Gauge)

FBS701 Plain Bond Brick 14" x 9" Also known as Stretcher bond, this is the most commonly used bond in the UK. Available in Brick (B), White (W) & Stone (C).

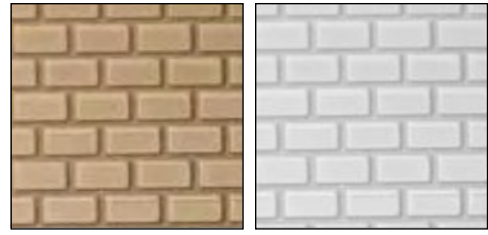

FBS702 English Bond Brick 14" x 9" A brick pattern formed by laying alternate courses of stretchers and headers, one of the strongest bonds. Available in Brick (Colour Code: B), White (W) & Stone (C).

FBS703 Flemish Bond Brick 14" x 9" A brick pattern formed by laying headers and stretchers alternately in each course. Available in Brick (Colour Code: B), White (W) & Stone (C).

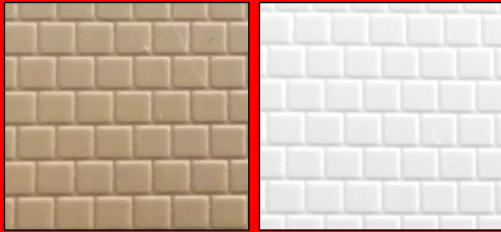

FBS704 Stone Blocks 14" x 9" A sheet of stone blocks suitable for walls in various settings. Available in Stone (Colour Code: C) & White (W).

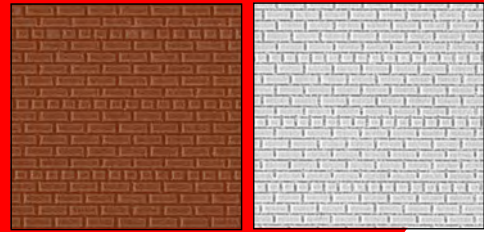

FBS705 Paving Stones 14" x 9" A sheet of Paving stones for pavements and gardens. Available in Stone (Colour Code: C) & White (W).

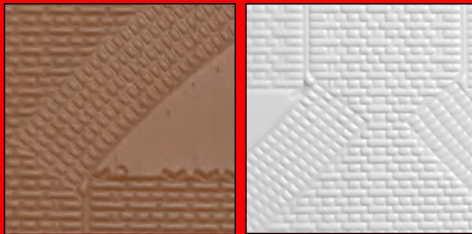

FBS706 Stone Setts 14" x 9" Available in Stone (Colour Code: C) & White (W).

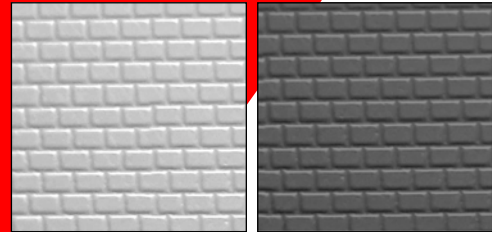

FBS714 American Bond 13" x 9.5" A brick pattern formed of five courses of stretchers between each course of headers. Available in Brick (Colour Code: B) & White (W).

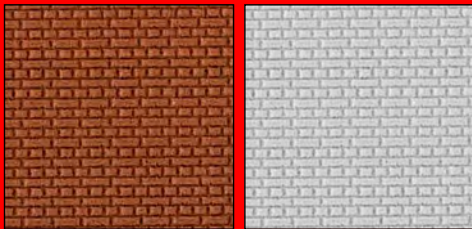

FBS707 English Bond Arches 14" x 10.5" A sheet of arches for recreating viaducts and road bridges. Available in Brick (Colour Code: B) & White (W).

FBS715 Slate 13.5" x 9" Available in White (Colour Code: W) and Grey (G)

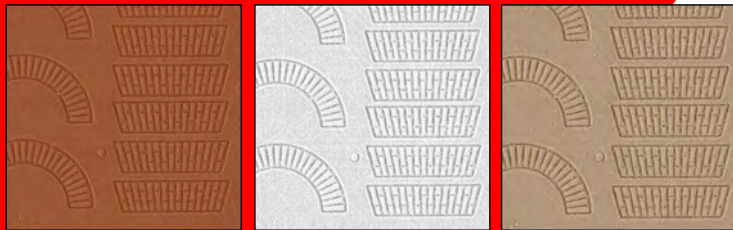

FBS708 English Bond Brick 14" x 9" A sheet of English Bond Brick to match the brickwork on FBS407 Arches. Available in Brick (Colour Code: B) & White (W).

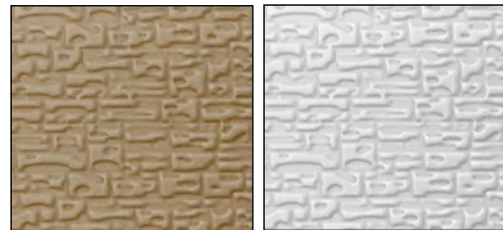

FBS716 Random Stone 13.5" x 9" Available in Stone (Colour Code: C) & White (W).

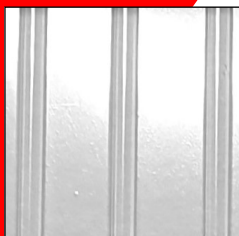

FBS711 Soldier Courses, Lintels and Arches 14.5" x 10.5" English Bond Brick sheet of architectural brickwork Available in Brick (Colour Code: B), White (W) & Stone (C) .

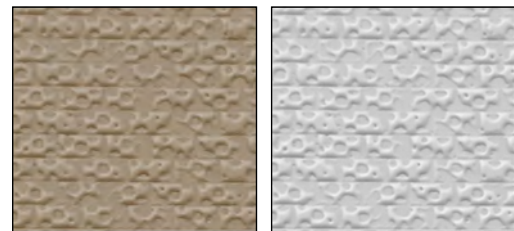

FBS717 Dressed Stone Blocks 13" x 9" Available in Stone (Colour Code: C) & White (W).

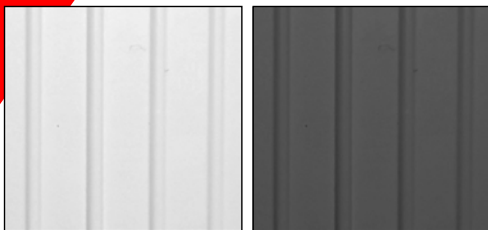

FBS712 Profiled Clear Cladding 14" x 9" Clear cladding sheet, matches FBS413.

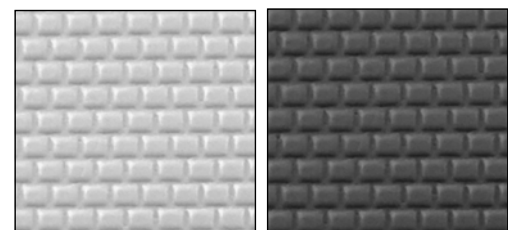

FBS718 Textured Concrete Blocks 13.5" x 9" Available in Stone (Colour Code: C) & White (W).

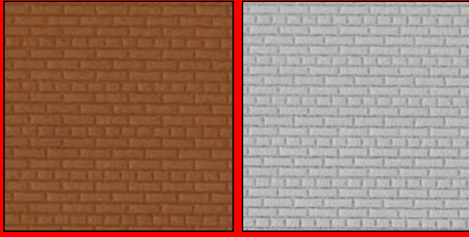

FBS713 Profiled Steel Cladding 14" x 9" Available in White (Colour Code: W) and Grey (G)

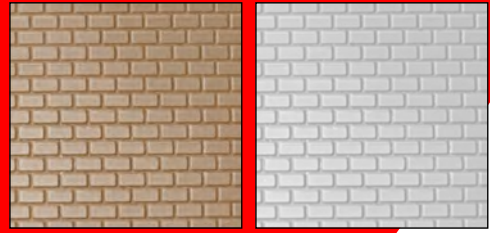

FBS719 Granite Setts 13.5" x 9" Available in White (Colour Code: W) and Grey (G)

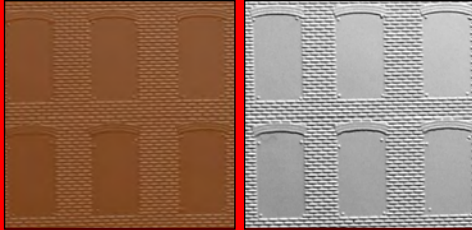

FBS723 English Garden Bond 13.5" x 9" A brick pattern formed by laying one course of headers for every three courses of stretcher. Available in Brick (Colour Code: B) & White (W).

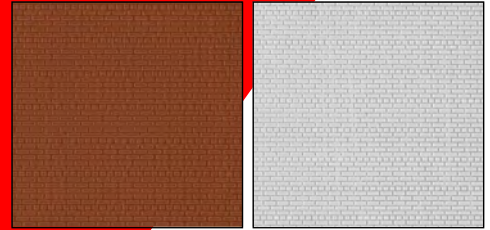

FBS204 2mm Stone Block 13" x 9" A sheet of stone blocks suitable for walls in various settings. Available in Stone (Colour Code: C) & White (W).

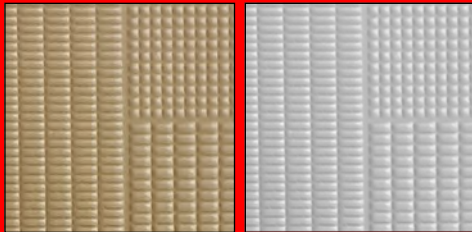

FBS724 Warehouse Fascia 13.5" x 9" Available in Brick (Colour Code: B) & White (W).

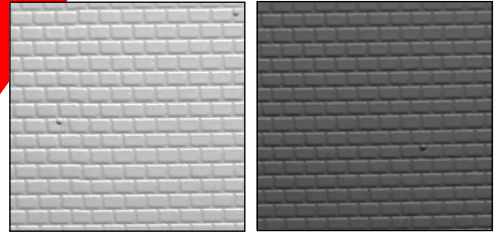

FBS214 2mm American Bond 13" x 9.5" Available in Brick (Colour Code: B) & White (W).

FBS725 Ceramic Utility Tiles 13.5" x 9." Commonly used in industrial settings and train stations. Available in Concrete (Colour Code: C) & White (W).

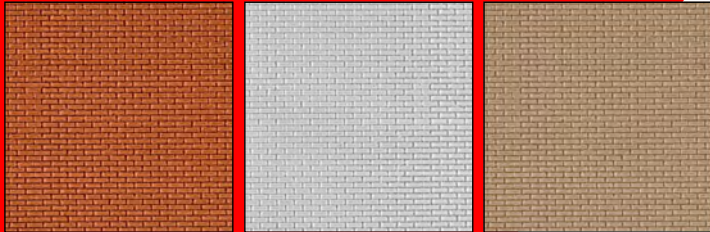

FBS215 2mm Slate 13" x 9" Available in White (Colour Code: W) and Grey (G)

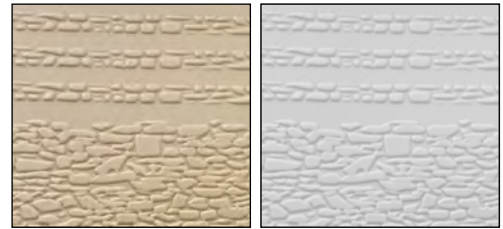

2mm Scale (N Gauge)

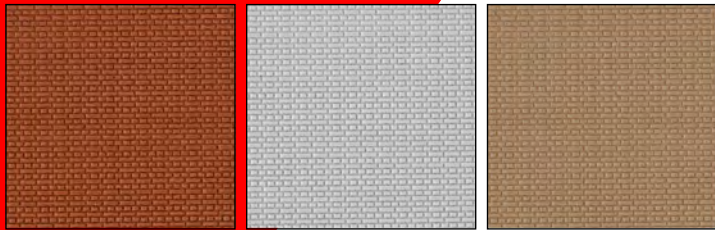

FBS201 2mm Plain Bond Brick 13.5" x 9" Available in Brick (Colour Code: B), White (W) & Stone (C).

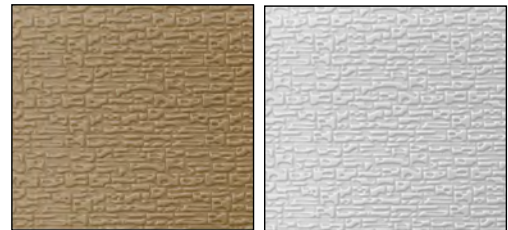

FBS216 2mm Random Stone 13" x 9.5" Available in Stone (Colour Code: C) & White (W).

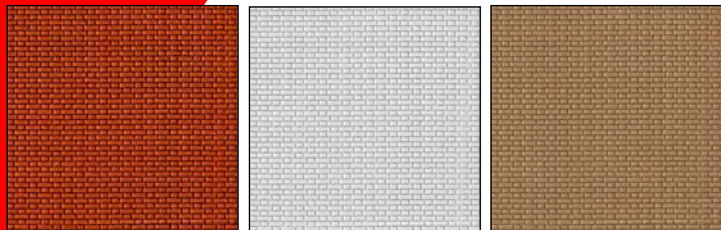

FBS202 2mm English Bond Brick 13" x 9" Available in Brick (Colour Code: B), White (W) & Stone (C) .

FBS217 2mm Dressed Stone Blocks 13" x 9" Available in Stone (Colour Code: C) & White (W).

FBS203 2mm Flemish Bond 13" x 9" Available in Brick (Colour Code: B), White (W) & Stone (C) .

FBS218 2mm Textured Concrete Block 13" x 9" Available in Stone (Colour Code: C) & White (W).
