SPECIAL OFFER - £139.99

NEW ANTEX 690D SOLDER STATION

Temperature Control Range 50°C - 450°C

The ***NEW*** 690D digital soldering station from Antex is a complete temperature controlled station for professional users. Uses 1100 series bits.

Station includes power supply, ST6A iron stand and a lightweight 50W industrial grade soldering iron fitted with silicone heat-resistant cable and a 2.3mm (1100) bit fitted. Temperature range continually adjustable from 50°C to 450°C. Digital display. Can be calibrated by the user. LEDs indicate mains power and iron power. Housed in a robust metal enclosure which is suitable for the most demanding industrial and educational environments. Replacement bits and soldering irons are available separately. Fully compatible with the latest European EMC and CE regulations. Supply voltage - 230Vac. Iron voltage - 24V. Power - 50 Watts. Leakage current <math><2.0\mu\text{A}</math>

ANTEX 1100 Series Replacement Bits

1100	1101	1102	1103	1105	1106	1108	1109
2.3mm	3.0mm	4.7mm	6.0mm	0.50mm	1.0mm	3.0mm	5.0mm

Choose ANY 2 extra bits FREE of Charge - Bits 1100 - 1106 are Single Bevel. Bits 1108 & 1109 are Double Bevelled

**Special Offer - £139.99 to include
2 EXTRA BITS FREE OF CHARGE - Worth £13.98!!**

BARRIE STEVENSON'S SOLDERS AND FLUXES

100 London Road, Bognor Regis, West Sussex, PO21 1DD.
Tel. 01243 84 24 24 / Email. sales@squirestools.com

Dear Customer,

We are pleased to offer to you a range of Barrie Stevenson's Solders and Fluxes. The Liquid Flux is produced under licence to Barrie Stevenson's own formula. This has been very popular amongst modellers for many years and always was one of our best-selling product lines. We are pleased that Barrie's Wife, Gillian, is involved in this project.

BS0010, BS0020 and BS0030 are Tin/Lead/Bismuth (TLB). This solder is for the assembly of white metal castings. The solder will melt at 70°C, but re-melts at a higher temperature when fused with white metal. Tinning one or both sides of the joint is required before soldering.

BS0040, BS0050 and BS0060 are all 145°C Detailing Solder Wire offered at various lengths and weights. Tin/Lead/Cadmium (TLC). The low melting point of this solder enables you to add small parts to an otherwise completed structure with reduced risk of melting the main joints or any other details.

BS0070, BS0080, BS0090, BS0100 are all 188°C Solder Wires. Two different thickness and lengths are available. These are resin cored solders ideal for both electrical soldering as well as brass kit assembly. Used in conjunction with the other solders, this is an ideal part of step soldering.

CODE	DESCRIPTION	Pack Quantity	RRP (inc VAT)
BSFLUX	Liquid flux for use with for use with Brass, Nickel Silver, Copper & White Metal. 60ml	1	£4.99
BSFLUX-6	Liquid flux for use with for use with Brass, Nickel Silver, Copper & White Metal. 60ml (Trade Pack of 6 Bottles)	6	£27.00 (£4.50 per bottle)
BS0010	Barrie Stevenson's Low Temperature Solder 70°C 60gms Appx	1	£6.99
BS0020	Barrie Stevenson's Low Temperature Solder 70°C 120gms Appx	1	£12.99

Squires Exhibitions & COVID-19

We are delighted to be able to announce a cautious return to the Exhibition Circuit. We do hope you will support the Clubs and Organisations that are taking the first steps in an effort to return a little normality to all of our lives and livelihoods. Our calendar for the remainder of 2021 is looking a little fuller at long last.

Unfortunately many of our planned exhibitions for 2021 have still fallen victim to the Coronavirus Outbreak here in the UK, and across the world. We continue to maintain the listing of our planned Exhibitions in the hope that you will be able to pop a note in your diary to look out for their next dates.

Exhibitions are a very important part of Squires, and we know that they are as equally important for the hosting clubs as well as the visiting customers. We hope to see you as soon as you feel able to return to the Circuit.

Exhibitions in red are cancelled.

Squires Model & Craft Tools Exhibitions & Events Diary 2021

Squires will be exhibiting at the following events. This diary lists the events we have as of October 2021. We will be updating this diary as events are confirmed. We cannot accept responsibility for errors or cancellations. We are not able to feature all of our products on our exhibition stands. If you have any specific requirements, then please contact us before an event and we will try to ensure a product is available. Tel 01243 842424.
