MODELLING MATERIALS

MODELLING MATERIALS MINI CATALOGUE JAN 2020

Dear Customer

Welcome to our **Modeling Materials "Mini" Catalogue The Second Edition *With New Lines Added***

We have been promising a complete new **Tools & Materials Catalogue** for some time. Much of the preparation work for the new catalogue is well under way, but there is still many new products still being worked on. As we cannot print the new catalogue until the last page and full stop is complete, we have decided to publish a number of **"Mini" Catalogues** to keep you informed.

Other **"Mini" Catalogues** to lookout for coming soon:- **Power Tools & Accessories**; and **Electrical Components**. The shop renovations are progressing well and many customers come down to visit, but if you are too far away to visit us, we exhibit at many shows around the country which we advertise on our website and in the model press. We hope to see you at some of the shows.

Kind Regards
Roger Lewis

2. When ordering please quote **ORDER CODE** and **DESCRIPTION**, plus **QUANTITY** required, whenever possible please use our order form. Please keep a copy of your order for your records.
3. All prices in this catalogue include VAT at 20% and are for the quantity shown i.e. each, per pack etc. Note: If the rate of VAT or the basis under which VAT is charged is changed, then our prices will change in accordance with the new rates as soon as they come into force.
4. Prices for mail order, retail and exhibition sales are the same. When we promote a product or pass on a manufacturers or suppliers price reduction this will be offered to all customers purchasing the applicable product for the period of the price reduction. If you have over remitted a refund will be made, if you are remitting by credit card you will be charged the lower price. The right to increase prices without prior notice is reserved.
5. You may pay for your order by:- CHEQUE, POSTAL ORDER crossed and made payable to **SQUIRES**, by CREDIT CARD - MASTERCARD, VISA or by DEBIT CARD. If you wish to send cash this MUST be sent by REGISTERED mail. Payment for overseas orders is required by CREDIT OR DEBIT CARD. Please do **NOT** use email to send your credit card details, please use telephone.
6. Our **MINIMUM MAIL ORDER VALUE IS £15.00** and is dispatched **POST FREE (Except Aerosols)** to a **SINGLE U.K.** destination. Overseas postage is at COST, VAT free OUTSIDE the EC ONLY. Note we are NOT able to issue VAT exemption forms by post. ****NOTE - Areosol Containers cannot be sent by Royal Mail and are subject to a Despatch Surcharge****
7. Most orders received by post will be dispatched by return, telephone orders received up to about 3.00pm will usually be dispatched the same day, any items that we are unable to supply immediately, and that we can supply in a reasonable time will be advised as a "TO FOLLOW" item and the EXPECTED DISPATCH DATE will be advised. If we are unable to supply an item within twenty-eight days we will make an immediate refund and advise the expected date of availability for re-ordering if required. NOTE when payment is made by credit card we will only charge for the items that we are able to despatch, items that are out of stock and marked "to follow" will be charged at the time of despatch. Items ordered that we cannot supply within the above terms will be cancelled.
8. **Damaged goods please contact us for instructions BEFORE returning.** Goods sent in error may be returned and will be replaced as soon as we receive them, provided that they have been carefully packed and that we have stock available. **SECOND CLASS** Royal Mail postage only will be refunded.
9. **Consumer Contracts - 14 Day Money Back Policy.** Squires offer a 14 day money back policy. To return a product you must first telephone Squires to obtain a Returns Number, this must be noted on all documentation and on the outer packaging when the goods are returned, **NO** markings are to be made on the product or products packaging. Your documentation must include your proof of purchase. The returned item must be complete, unused and in an "as new" condition with the original packaging. We will not accept for return items that have had a manufacturers/suppliers warranty or registration invoked, this will be deemed as Customer acceptance of the goods. Squires must receive all returns within 14 days of the Returns Number being issued, any goods received after the 14 days will be dealt with individually. All returns are to be sent to Squires, 100 London Road, Bognor Regis, West Sussex, PO21 1DD. Carefully package the item and ensure sufficient postage is paid, goods are returned at the customers own cost and risk, you must obtain proof of posting in case of non-receipt. **Squires will not accept parcels that have insufficient postage paid.** Do not return goods without a Returns Number, as this may delay credit. Note Certain products due to their nature are exempt from the 14 Day Money Back Policy, this would include for example consumable items, kits that have been built, cut cable etc. **Note Squires are NOT able to issue Returns Numbers or accept return of Goods under "Consumer Contracts Regulations" at our Exhibition Sales Stand.**

WILLS OO GAUGE BUILDING KITS

WILLS OO VICTORIAN GENTS TOILET this type of open cast-iron screen for male urinals, introduced by the Victorians, could be found in the middle of roads, in public parks and on station platforms. An example of the latter can still be found on the platform of Bewdley station on the Severn Valley Railway. They were a basic but important step towards better public health. Area; 92 x 34mm. Assemble with polystyrene cement.

CODE	TYPE	PRICE
SS10	Wills OO Gauge Victorian Gents Toilet Kit....	£5.79

WILLS OO TAXI MENS REST HUT these distinctive huts were a common sight in many places around the country. They were the place where taxi drivers went for tea breaks and to log on and of duty. Once a common sight outside stations where the travelling public emerged wanting transport. Area 93 x 47mm. Assemble with polystyrene cement.

WILLS OO COAL YARD AND HUT coal facilities were essential for nearly all stations. Smaller stations had coal for heating, whilst those serving larger villages and towns would have a coal merchant with an office and coal storage facilities. Stations with engine facilities would also need coal readily available in staithe in order to refuel loco bunkers and tenders. There are enough parts to make double coal staithe and a coal office hut. Area 122 x 50mm. Assemble with polystyrene cement.

Town & Country Scenics

Town & Country Scenics "Rust-it" is a specially formulated water based paint that can be applied to Wood, Card, Polystyrene, Plastics, Glass, Metals, Painted Surfaces and many other non-porous surfaces. "Rust-it" can be applied with a small sponge or pallet knife. To add fine detail rust a Microbrush is ideal. Allow to dry between coats (drying time about 25 minutes)

"Rust-it" is available in Dark Rust and Light Rust. Apply Dark Rust and allow to dry, further coats of Dark "Rust-it" will darken the effect. Applying a second coat less evenly enhances the appearance. Apply "Rust-it" Light Rust randomly completes the effect of rust. The finished surface even feels rusty! Further enhancements can include use of weathering powders. ****Buy one of each £14.99****

Applied to Plastruct Tube

Applied to Aluminium Sheet

Applied to Wills Buildings
